ATHENIAN

We'll always remember 1948-1949. Remember . . . ? That was the year of the Berlin crisis and the airlift into Germany; the year of strained relations with Russia; the year Harry Truman won the Presidential election, despite predictions of a sweeping victory for Dewey; the year that Chiang Kai-shek's government in China gave way to the Communists; the year that a peace-time draft was first used in this country; the year the B-50, Lucky Lady II, circled the globe on the first non-stop flight; the year of controversy over Federal Aid to Education and the soldiers' bonus in Indiana. It was a turbulent but wonderful year!

CRAWFORDSVILLE HIGH SCHOOL

we'll always

REMEMBER 1949...

The things we'll always remember about 1948-1949 weren't world-shaking. They took place here in Crawfordsville High School. We'll always remember the pep sessions . . . the way the six weeks tests rolled around sooner than we expected . . . the noise and fun during noon recreation . . . the wonderful feeling after the basketball team beat Attica . . . the solemn pageant at the Christmas formal dance . . . the let-down feeling at the sectional . . . the catchy tunes and gay colors of the operetta . . . and the warm feeling that we all belonged to Crawfordsville High School!

THE FUTURE BELONGS

What is this . . . a Quaker meeting?

If 2x equals 10 x equals ?

TO THOSE WHO PREPARE FOR IT.

Remember how we stood out in the warm autumn sunshine waiting for the bell to let us in? The boys always stood on one corner and the girls on another. After we greeted all our locker partners and exchanged late gossip, we hurried to classes. . . . In shop class the boys learned to operate lathes, drill presses, and many other machines that go to make up the school's top-notch machine shop. . . . In math class we learned speed and accuracy, just what we will need for any job in the future.

Great things are in progress in Room 3.

WE BROADEN OUR

The Harvest Hop was a fall activity of the Sunshine Society and the A.B.C. Its success depended greatly on a good band, a local talent show, and lots of food. . . . The make-up committee solved the problem of making high school students look like shepherds and wise men of old. . . . In Mechanical Drawing class boys learned to draw plans for machine parts and blueprints for homes. . . . The Driver Training course taught students to drive safely and sanely.

← Behind the scenes.

Yum, yum! The food was super at the Harvest Hop!

IT ISN'T ALL

Printing that isn't done in the print shop.

"Behold, there came wise men from the East to Jerusalem." Matt. 2:1.

Dancing led in popularity during the noon recreation program.

The privilege of wearing and signing senior cords was something we had looked forward to since the seventh grade. . . . An impressive program in tableau and song was presented by the Sunshine Society and the Chorus just before the Christmas holidays. . . . During the cold winter months the Student Council sponsored the noon recreation program in the auditorium. Dancing, ping pong, and shuffle board made the noon hour most enjoyable.

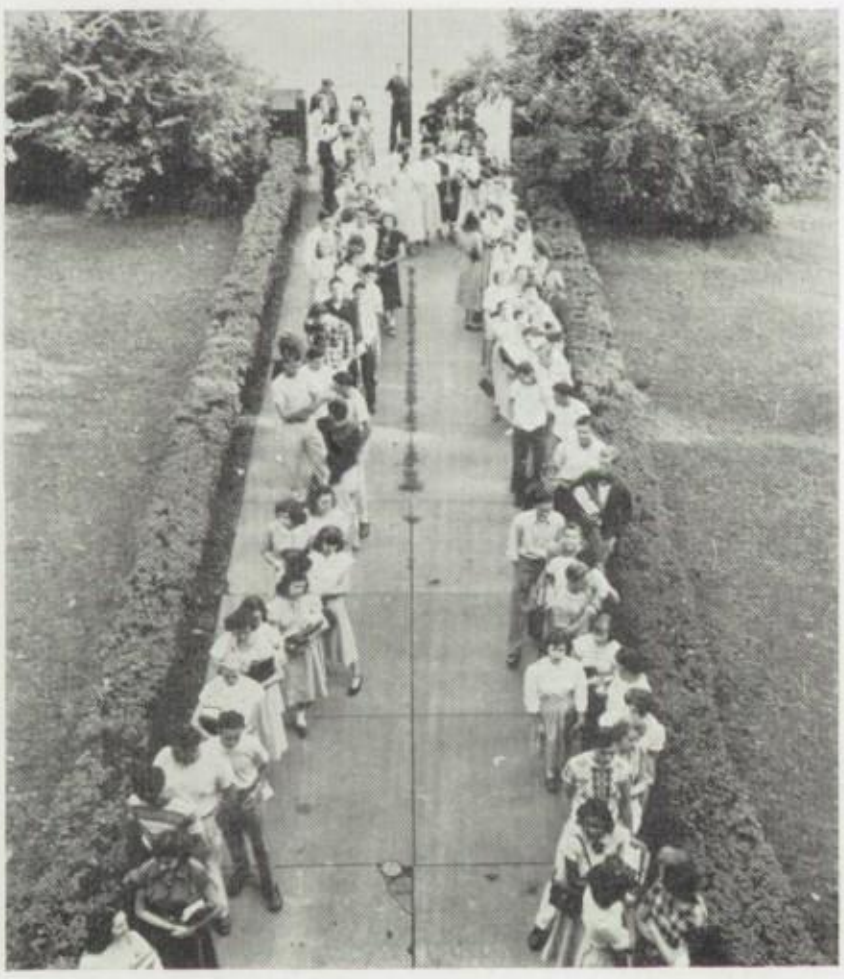
Look out! The chemists are experimenting again!

Line A-L forms on the left; line M-Z on the right.



The first day of school is always exciting. Seeing familiar faces, and new ones, too, is fun. Waiting in line, you may hear such remarks as "I hope I have Mr. X this year. He's so good-looking" or "If I don't have gym sixth period, I'll . . ."

The long black tables, strange smelling chemicals, and balance scales on each table remind us, of course, of the science laboratory.

↑ Getting all those season basketball tickets distributed must be a headache!

↓ Some come by foot or jalopy; some arrive by school bus.

At the crack of dawn on November 9 season basketball tickets went on sale in the gym. The procedure was to get a number and wait. All couldn't be lucky enough to get seats in the first three rows. . . . Of 954 students in C.H.S., 187 lived outside the city limits. Except for the few who drove, or rode with their parents, most of the 187 came in school buses.

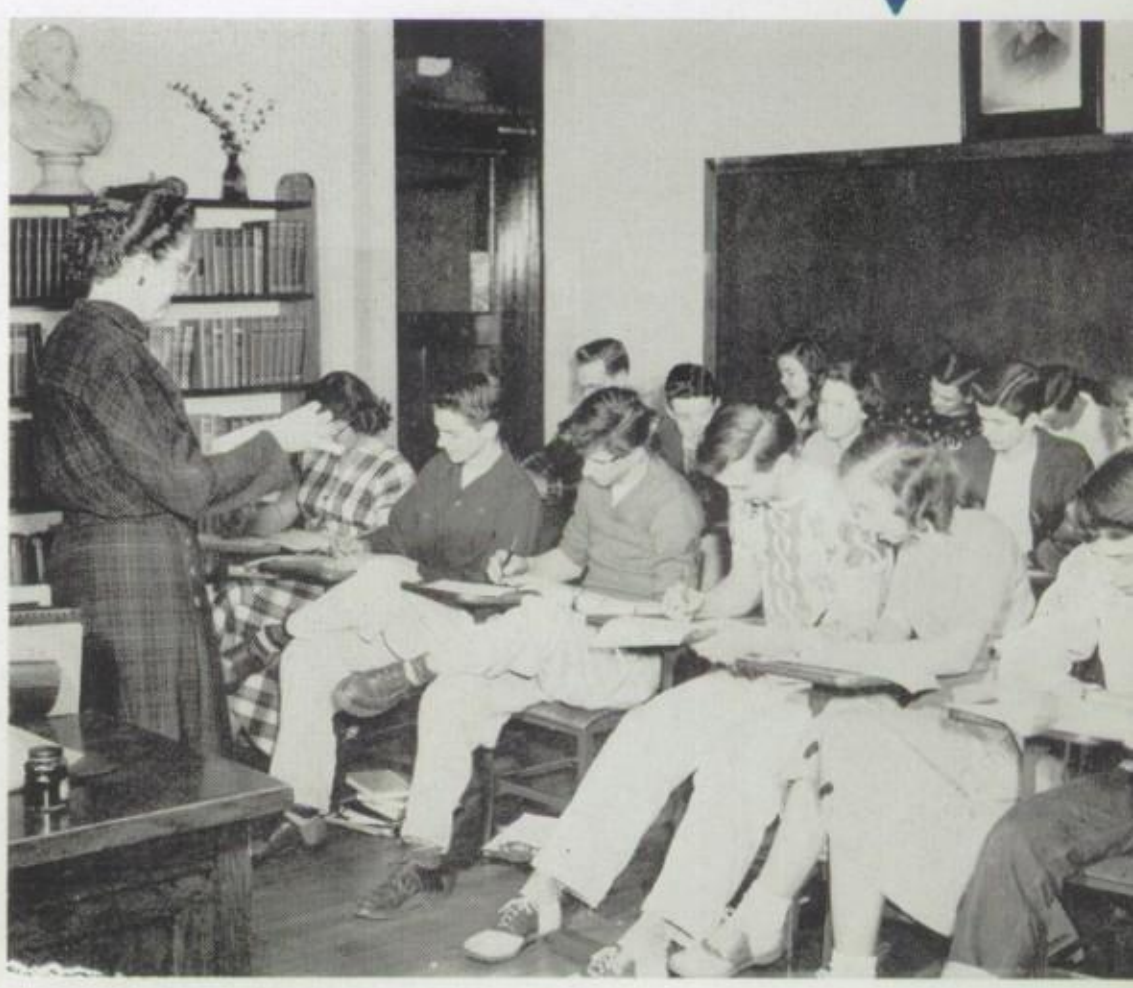
1-2, 1-2, 1-2. First word, quinquennial; second word, zincographer; third . . .



United States history and government are required courses for every student who graduates from C.H.S. These studies gave us knowledge of our country's past and how it is run today. . . . Another standard course is English. To be able to read, write, and speak the English language correctly is essential to every person.

"The secret of a cook's success is in the eating."

Remember, girls, "The way to a man's heart . . ."

DOING TO PREPARE FOR TOMORROW.

JUNIOR HIGH

More than half of the students in Crawfordsville High School are in junior high, which includes grades seven, eight, and nine. Most of the class rooms are located on the west side of the building. The junior high has its own basketball teams, parties, and clubs; but it joins the senior high for assembly programs and pep sessions.

"Life" fascinates the seventh graders .

It's just too nice to go inside. ➡

"The charm of blended gold

Will ne'er fade from our view,
And dear old gold and blue so
true,
'Tis you we love, 'tis you."

A SPIRIT OF FRIEND

Take it easy, boys!
Remember the calories!

The Sweetheart Ball called for long dresses and pressed pants.

LINESS PREVAILS AT DEAR OLD C. H. S.

After school was over in the evening, some hurried downtown to get immediate energy from a coke. . . . Christmas trees, icicles and a snow man decorated the auditorium for the Sweetheart Ball during the Christmas holidays.

We'll always remember '49

We'll always remember the faculty and administration, who were not only our teachers and advisors but also our friends through the years we spent in Crawfordsville High School.

"EDUCATION IS THE

ADMINISTRATION

Any successful institution requires strong leadership. Crawfordsville High School is fortunate in having enthusiastic leaders who work tirelessly for the best interests of the students. Superintendent Alexander, professional leader of the teachers of the city schools, devotes long hours to his administrative duties. L. J. C. Freeman and H. T. McCullough, principals of senior and junior high schools, respectively, give their time and energies unselfishly to the high school program. On their shoulders lies the heavy responsibility of maintaining the high standards of C. H. S.

Accurate records must be kept in any efficiently-run business. According to statistics, education is the biggest business in the country. The records for C. H. S. and the city schools are kept straight by the office personnel, who also serve as secretaries for the administrators. The nurse keeps an eye on the health of the students, and the attendance officer checks on absentees. The deans act as counsellors and help solve the individual problems of students.

We'll always remember '49

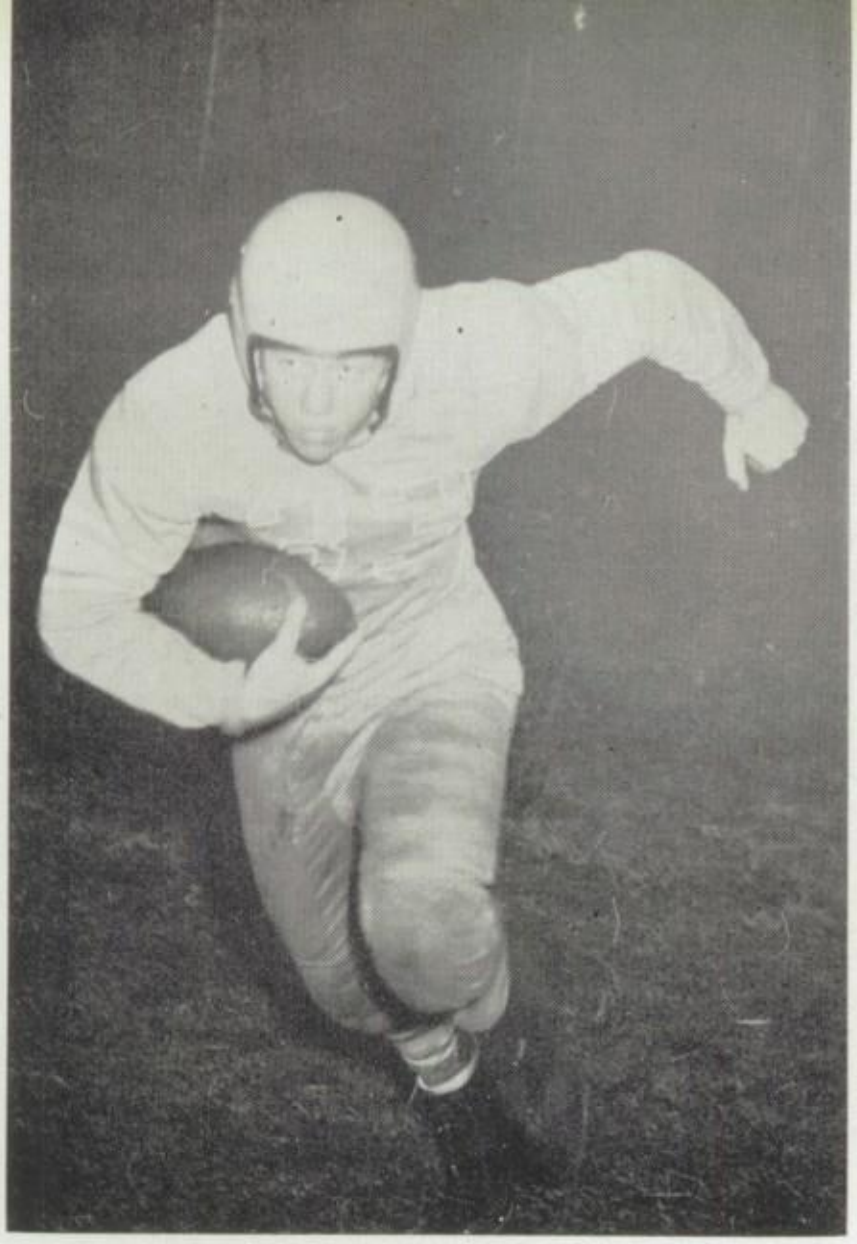
When we recall the pleasant times at C. H. S., we will undoubtedly remember the thrills furnished us by the sports at our school. We'll remember the caressing coolness of those fall nights at Hoover Field; those cold crisp winter nights and basketball games. . . . Yes, we'll remember sports at C. H. S.



Dick Lingeman captained the 1948 Crawfordsville football team and will be succeeded by Keith Churchill.

"Cracker" shows an aspiring group of Athenian gridders how it ought to be done.

FOOTBALL

Delphi

A light and inexperienced Crawfordsville eleven was outclassed in the opening game of the season by the surprisingly strong Delphi Oracles, 19 to 0. Bogged down by crippling penalties all evening, the Athenians failed to muster any offensive threat.

Noblesville

The Athenians looked better in their home debut, but, hurt by fumbles, they were edged out by the Millers 13 to 12. A 50-yard run by Lingeman and a pass play, Whalen to Eyler, accounted for the Athenian scores.

Shortridge

Shortridge, a perennial power in Indiana high school football, brought another strong team to Hoover Field, and the game ran true to form with the Blue Devils rolling up a 20 to 0 first quarter lead. But the Athenians came to life in the third period, scoring on long passes from Whalen to Lingeman and Hamm, and bringing the count to 20 to 14. Shortridge, however, again turned on the steam and the final score was 32 to 14.

Sheridan

The Athenians took to the road for their next game to play a good Sheridan team. Sheridan pushed over an early touchdown and the game resolved itself into a battle of the two opposing lines, with the Athenians muffing several scoring opportunities and finally losing out, 6 to 0.

West Lafayette

Crawfordsville went down to its fifth straight defeat at the hands of the West Lafayette Red Devils, 19 to 0. Showing little in the way of a sustained offense, the Athenians played most of the game in their own territory.

Danville

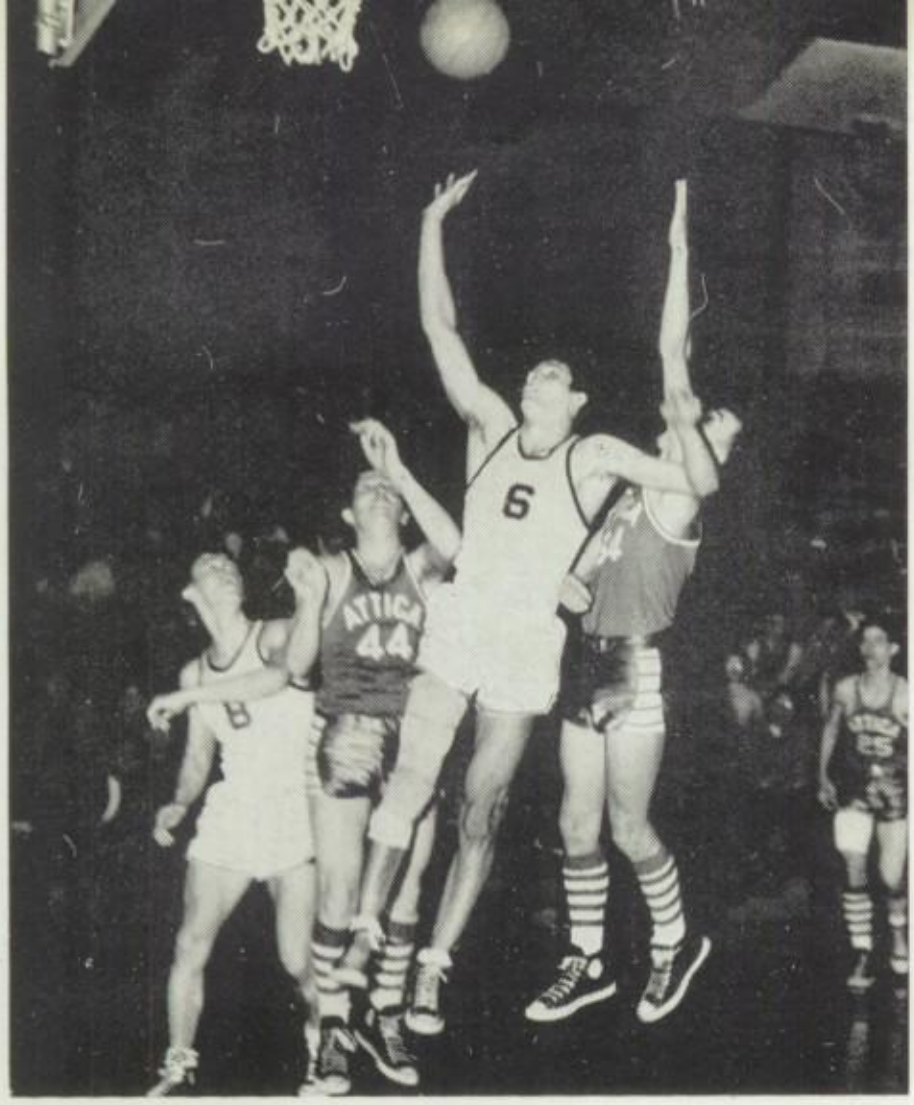
Athenian fortunes reached their lowest ebb against a mediocre team from Danville. Although they scored two first-half touchdowns on plunges by Riggs and Hewitt, the Athenians were very lax defensively and let Danville run up a 33 to 13 score.

Jeff

A game but out-manned Crawfordsville team could offer little opposition to powerful Jeff's North Central Conference champs and lost their final home game, 39 to 0. Keith Churchill, one of the mainstays of the Athenian offense all year, sparked the only Athenian offensive effort of the evening when he scored a touchdown, only to have it nullified by a penalty.

Greenfield

The Athenians ended an otherwise unlucky season on a happy note at Greenfield by triumphing 12 to 7. The game was Crawfordsville's all the way, for a change, with little Bill Krug scoring both touchdowns on passes from Whalen and with the Athenian line acquitting itself well.



Bob Stiller fights gamely for a rebound with two Attica players as Buddy Bradley looks on. The Athenians won from the Ramblers in a thrilling overtime game, 41-39.

BASKETBALL

At the beginning of practice for the 1948-49 basketball season, Athenian Coach Bill Chase was faced with the task of building a net squad with only two members of last year's team to use as a nucleus. Bill was forced to dig deep into the rosters of last season's reserve and freshman squads to select the members of his team.

The basketball squad which resulted was naturally quite green and inexperienced, but the Athenians of 1948-49 made up in fighting spirit what they lacked in poise and confidence. By the time the season was nearly over, Crawfordsville proved it could fight some of the better teams in the state on an even basis.

Frankfort's Hot Dogs slapped a decisive 66-36 defeat on the Athenians in the opener, and Chase's boys then proceeded to take seven more consecutive losses.

The Noblesville Millers won a heart-breaking 49-46 decision in the second game as the hard-fighting Athenians came from far behind to tie the game and send it into an overtime.

The Tigers of Lebanon handed the Athenians their second one-sided defeat of the season on the C. H. S. court, 47-27.

Crawfordsville lost its fourth straight home game as the Greencastle Tiger Cubs rolled to a 61-44 decision.

The Athenians then took to the road in hopes of finding a victory, but instead they received their fifth loss from Brazil, 50-26.

Bloomington's powerful Panthers buried the Chasemen under a terrific second-half attack at the southern city to give the Athenians their sixth consecutive defeat, 67-44.

C. H. S. then traveled to Terre Haute Garfield and was once again soundly trounced by the Purple Eagles, 47-33.

Crawfordsville returned home and, with a new lease on life, led a tall team from Riley High School of South Bend until the final few minutes but lost another heartbreaker, 47-43. The defeat was Crawfordsville's eighth against no wins.

Crawfordsville next journeyed to Frankfort on New Year's Day and gave its loyal rooters a pleasant surprise by taking the holiday tourney with victories over Michigan City and Elwood. The scores were 38-36 and 41-38, respectively, as the Athenians won their first two games of the season.

West Lafayette's hard-driving Red Devils quickly doused any hopes of a big Athenian comeback, however, by pouring it on C. H. S., 43-24.

Crawfordsville traveled to the banks of the Wabash and matched Clinton's Wildcats point for point before losing again, 47-39.

The hot and cold Athenians then astounded their fans by trouncing a host Indianapolis Washington club, 52-40. Crawfordsville led all the way while racking up their third victory of the season.

C. H. S. next battled furiously with an invading Franklin five before going down to defeat, 51-42.

After a very low-scoring first half, Fort Wayne's South Side Archers pulled away to deal the visiting Athenians their twelfth loss, 44-23. A large number of C.H.S. fans showed that they were still definitely behind the team as they made the long trip north.

In a terrific and closely-fought game, the Athenians lost to the Tigers at Lebanon, 45-40.

Martinsville handed the C. H. S. squad its second straight close loss, 40-36, at the Artesian city. The Athenians led until the final few minutes of play.

Then came that terrific overtime upset of Attica's Ramblers, runners-up in the Wabash Valley, by the Chasemen, 41-39. The game was one of the most exciting viewed in the C. H. S. gym for several years.

Just to prove further that they were not to be taken lightly, the Athenians proceeded to travel to Lafayette and trample the State Champion Jeff Bronchos, 42-37. C. H. S. blasted its way to the win with a surging second half attack that had the Broncs buried, 42-31, with less than a minute to go. Three quick Jeff buckets narrowed the score as Crawfordsville hopes reached a new high.

As suddenly as they had arisen to new heights, however, the Athenians receded again as they lost to Indianapolis Shortridge in the season's finale, 46-36. C. H. S. played a rather listless game against the tall capital crew as Crawfordsville lost its fifteenth game of the season.

Sectional Tourney

As usual, Crawfordsville drew a tough assignment in the sectional. After opening with a comparatively easy 46-29 victory over Waynetown's Gladiators, last year's runners-up, the Athenians dropped a tough 40-37 decision to a tall and well-drilled group of Waveland Hornets.

Waveland proved its worth by going ahead to win the tourney and take the Championship Crown from C. H. S. The Athenians finished with an over-all record of six wins and sixteen defeats.

NINTH GRADE BASKETBALL

John McCormick's hustling freshman squad gave great promise of things to come in C. H. S. basketball by compiling a record of ten wins against six losses during the 1948-49 season.

The "Little Athenians," competing in the freshman tourney at Jeff, advanced through the first round with a lusty win over Attica, but were then put out of competition by the host Jeff team in an overtime thriller, 27-24.

One look at the ninth grade schedule will support the fact that the freshmen played a tough schedule.

WRESTLING

Bob Hoke's Wrestling squad went through one of the best seasons in the history of this sport at C. H. S., winning six matches and losing three. Two of the losses came at the hands of the Jeff wrestlers, while Bloomington's State Champs inflicted the other loss.

The Athenians slumped badly in the state meet at Bloomington, however, earning only one point to tie for last place. Ryan Shaw, who placed fourth in the 120-pound class, was the only C. H. S. wrestler to place in the state. Other highly-regarded Athenian wrestlers such as Dick Henderson, who placed fourth in the 128-pound class last year, Ward Chambers, and Harold "Mugs" Stamps all failed to place in the state meet.

Twelve seniors were selected from choir to participate in the All State Choral Festival held at Indianapolis on October 22, 1948.

A very impressive Thanksgiving Vesper was given by the robed choir of forty voices on Sunday afternoon, November 21.

The entire choral group presented a unique program, Fred Waring's "Song of Christmas," with narrators and tableaus. The S.S.S. and A.B.C. aided in this production.

For the first time in many years, the chorus presented an operetta. On March 11 two performances of Oscar Straus's "A Waltz Dream" were presented before large audiences.

Officers for the year were Robert Burkhardt, President; Susan Harvey, Vice-President; John Marshall, Secretary-Treasurer; James Long and Virginia Hayworth, Librarians; Patsy Rudy, Robe Mistress; and Charles Rogers, Robe Master.

We'll always remember '49

We'll always remember our activities outside of classes. They were an important and happy part of our school life. The fun we had following our chosen leaders and sponsors will always be close to our memory.

STUDENT COUNCIL

In its Constitution the Student Council states as its purpose "to give the student body representation in the administration of extra-curricular activities of the school and to increase the morale and spirit of the school." The elected membership consists of one representative from each small senior high home room, one representative for every thirty people in the large home rooms, three representatives from the ninth grade, two from the eighth grade, and one representative from the seventh grade.

During the year the Council sponsored noon dances, scheduled pep sessions and auditorium programs, gave assistance to the annual March of Dimes campaign, and supervised election of yell leaders.

Dick Lingeman was chairman of the 1948-1949 Student Council. Mr. Freeman, Mrs. Biddle, Mr. Hoke, Mr. McCullough, and Mr. Wells were sponsors.

ATHENIAN

The "Athenian," compiled annually by a staff from the Senior class, presents a history of the high school in pictorial and story form. It is filled with names and faces, scenes and events of our daily school life. The staff wishes to express appreciation to all who helped in any way to make the 1949 book a success.

PALETTEIRS

Because of their tireless efforts in decorating for dances, holidays, and various student activities, the Paletteirs had a busy year.

The highlight of their activities was the annual Christmas booth where delicacies of candy, fruit, and cake, and also handicrafts were sold. Specialties were plaster angels for table decorations; hand-decorated Christmas tree ornaments; hand-painted trays, boxes, and Christmas cards. Decorating the stage for the operetta was the spring project for the organization.

In March eight students entered the National Scholastic Contest. Fred Ewoldt was awarded the gold key, the highest award in the state, for a black and white illustration. He also received an award of merit for a cartoon. Other awards of merit were given to Don Gobel for a wood carving and to Gloria Quisenberry for an oil still life and black and white crayon illustration.

GOLD AND BLUE

"To support all school activities" is the purpose of the "Gold and Blue," which arrives as often as Friday afternoon comes during the school year. It almost seems automatic, but if you will ask any one of the students on the staff, he will tell you a different story. Each week about 100 inches of space have to be filled with news items, features, editorials, and jokes. For the business manager, an issue of the "Gold and Blue" means ads and bills.

A large part of the headaches connected with the weekly paper belonged to the editors, who were Mary Mutch, page one; Carol Cottingham, page two; Martha Repp, page three; and Jack Roudebush, page four. The business manager was George Stoker.

This year the staff welcomed Mr. Howes as the new "Gold and Blue" advisor. Mr. Biddle supervised printing the paper on the school press.

Several classes, such as 1915, 1924, and 1945, also hold summer or winter reunions.

TO THE CLASS OF 1949

Crawfordsville High School has long been characterized by a loyalty which expresses itself in a spirit of kindliness and affection which binds alumni, students, and faculty together as one great family.

It is the sincere desire of the alumni association that you who stand on the threshold of life will long remember the pleasant experiences, the achievements and inspirations of your high school days.

"All that you are planning for
In days ahead of you,
All that you are hoping for
And looking forward to,
All the best that life can bring
Along your future way,
All that means your happiness
We wish for you today."

CUSTODIANS

To seven hard-working men goes the credit for the neat appearance of the high school building and the grounds. These men are constantly waging a never-ending war on dirt. Inside the building they are busy the year round keeping the floors clean, the desks and seats dusted, the stage in order, the chairs in line for programs, the furnaces fired, the windows polished, the waste baskets emptied, the boards clean, and the corridors spotless. Outside the building they keep the lawns mowed, the leaves raked, and the walks free from ice. While we enjoy vacations in the summer, they are busy preparing the building for another year of school.
